# INTRODUCING THE

Wondafl is Concordia's Online Library Program designed to stimulate natural growth and love towards the English language through extensive reading of original English books. Students will start with kindergarden level books all the way up to reading levels similar to Harry Potter.

Concordia International School provides students with the opportunity to achieve academic and professional success in an international society. Utilizing the latest technologies and personally calibrated school programs, Concordia wishes to maximize each student's potentials. Students are the essence of our mission and their success is the pivot of our existence.

#### How is Wondafl different from CIS?

At CIS, our aim is to make it possible for students to translate what they have learned in public school systems into the English language. Concordia International School's grades run parallel to the student's actual age and grade. However, if the student does not have the language proficiency to study the CIS grade levels, they will be placed in the Wondafl courses in order to meet the language skills required to enter the CIS program.

#### What types of job are offered upon completion of the program?

We are able to offer a wide variety of internship programs for students, depending on their needs.

#### How do I apply for the program?

Our centers are located in many different countries, and you can get in touch with us directly through our call center or via email. For more information, please visit our website:
